Summary

Third-year B.Tech Computer Science student at VIT Bhopal with 4 months of paid Product Tech internship .

Education

Vellore Institute of Technology, Bhopal

2023 – 2027

B.Tech - Computer Science and Engineering CGPA: 8.54

Bhopal, Madhya Pradesh

Sanskar Global School

2020 – 2022

Class XII: 78% — Class X: 86.8%

Pratapgarh , UP

Technical Skills

Programming: C++, Python, Java, C#, JavaScript, SQL

Web Development: HTML, CSS, React.js, Node.js, MERN Stack

Game Development: Unity 3D

Machine Learning: CNN, OpenCV, Scikit-learn

Databases: MongoDB, MySQL

Tools: Git, GitHub

Experience

Product Tech Intern – Uptodd.com

Dec 2024 – Mar 2025

Paid Internship

Remote

- Contributed to live product feature development and platform optimization.
- Collaborated with engineering and product teams in an agile workflow.
- Improved frontend-backend integration ensuring scalable and efficient code.

Projects

• Chained Together 2D (Full Multiplayer)

Built a real-time 2D multiplayer platformer using HTML5 Canvas, JavaScript, Node.js, Express.js, and Socket.IO. Designed and deployed a dedicated server on Render to manage authoritative game state, low-latency player synchronization, collision handling, and seamless cross-device online gameplay for multiple players.

• AI-Powered Financial Risk Advisor

Designed an AI-driven platform that analyzes transaction and market data to generate explainable financial risk scores and personalized financial recommendations. Conducted user research, defined product requirements, prioritized features, collaborated with data science and engineering teams, and established key success metrics to improve decision-making and user trust.

• Uptodd Product Optimization

Collaborated with cross-functional product, design, and engineering teams to enhance product features based on user feedback and business requirements. Participated in sprint planning, backlog prioritization, feature documentation, and product analysis while supporting data-driven optimization initiatives to improve user engagement and overall product experience.

Leadership Experience

Secretary

2024 – Present

Linux Club

VIT Bhopal

- Managed club operations and coordinated multiple technical events.

Marketing Lead

2023 – 2024

Linux Club

VIT Bhopal

- Led branding and outreach initiatives increasing participation and visibility.

Achievements & Certifications

- 3× National Finalist – Case Competitions at IIT Delhi and IIM Indore IIM Lucknow.
- Elite Certificate in Machine Learning – IIT Madras.
- Google IT Support Professional Certificate.
- MERN Full Stack Development Certification – Ethnus.
